

A six part virtual series to develop knowledge and capacity to use MSCS to build connections between educators, families and partners

# Family & Community Engagement in MSCS

## A CAL-MSCS Trending Tuesday Mini-Series

4:00 pm – 5:00 pm

\*Tuesdays\*

### Who Should Join?

- CAL-MSCS Local Implementation Team Representatives
- District Administrators, Instructional Coaches, Classroom Teachers (Grades 4-12)
- Community Partners, Parents, Expanded Learning Partners
- Anyone interested in creating connections and improving learning through MSCS focused partnerships

#### Build Community

Connect with LEAs, non-profits, and parents across California who are working to shift MSCS learning experiences and outcomes

#### Access Resources

Gain materials and information to support stronger partnerships in your context

#### Gain Awareness

Hear about and learn from other statewide leaders and projects focused on family and community engagement

#### Session 1: August 13, 2024

Inspiring connections between partners, families and educators in support of MSCS Learning

#### Session 2: October 8, 2024

Supporting efforts to develop and improve FACEinMSCS in CA: Exploring a resource for change

#### Session 3: December 3, 2024

Dual Capacity: Establishing and strengthening MSCS relationships between families and schools

#### Session 4: February 11, 2025

Engagement and collaboration: Unpacking school and community partner relationships

#### Session 5: April 8, 2025

Innovating FACEinMSCS Part I: Examples of progress at national, state and local levels

#### Session 6: June 3, 2025

Innovating FACEinMSCS Part II: Examples of progress at national, state and local levels
